**WAVIA & DPIRD DISCLAIMER - PLEASE READ CAREFULLY**

Western Australian Vine Improvement Association Inc (WAVIA) & the State of Western Australia through its Department of Primary Industries and Regional Development (DPIRD) take reasonable care to produce & make available DPIRD vine propagating material, and to source vine propagating material from WAVIA Source Blocks (together, the Material) that is true to label & at low risk of known common viruses, infections, diseases & pests.

WAVIA, DPIRD & their employees make no representations or warranties as to the condition, quality, or fitness for any purpose of any Material or its freedom from viruses, infections, diseases, or pests. To the extent the law permits, any statutory warranties or implied conditions or the like are excluded in relation to any supply or sale of the Material by WAVIA or DPIRD. WAVIA, DPIRD & each of their employees accept & shall have no liability, by reason of negligence or otherwise, arising from any supply, sale, or use of the Material. Prospective purchasers & users of the Material must make their own risk assessments & decisions as to the purchase & use of the Material, & each applicant purchaser and user voluntarily assumes the risks associated with such application and use.

**I have read, understood and accept the Conditions of application and purchase on page 1 and the terms of the Disclaimer on page 2, and I apply for annual ordinary membership of WAVIA from 30th May for a period of 12 months.**
